Ring louvre
SX 97-257-2

Colour filter
SX 97-...-0

CCTV

Sound system

The housing of OLIVIO Grande provides the opportunity to incorporate technologies like CCTV or sound system on request.

ACCENT LIGHTING → **OLIVIO FLORACION** → STANDARD SYSTEM POLE

Combination of OLIVIO Grande fittings and standard system pole with pole cavity in a contrasting colour, preconfigured for three or five fittings. Depending on lighting application a range of optical systems and accessories are available. Carefully designed and engineered, OLIVIO FLORACION will enhance special locations in urban areas.

Please create a product reference number using the respective codes for light fittings, optics, pole height and pole colour as per example below. You can then specify the individual configuration of your fixture using the separate configuration sheet.

Specification example : Fitting with standard system pole 7000mm

OLIVIO Grande 5 * SX 815	Flood, HIT-CE 35W 3 1	black - 2
Pole	1 * SX 161 34 H: 7000/200mm	- 2
Buried base	1 * SX 97-053-0 H: 1000mm	- 0

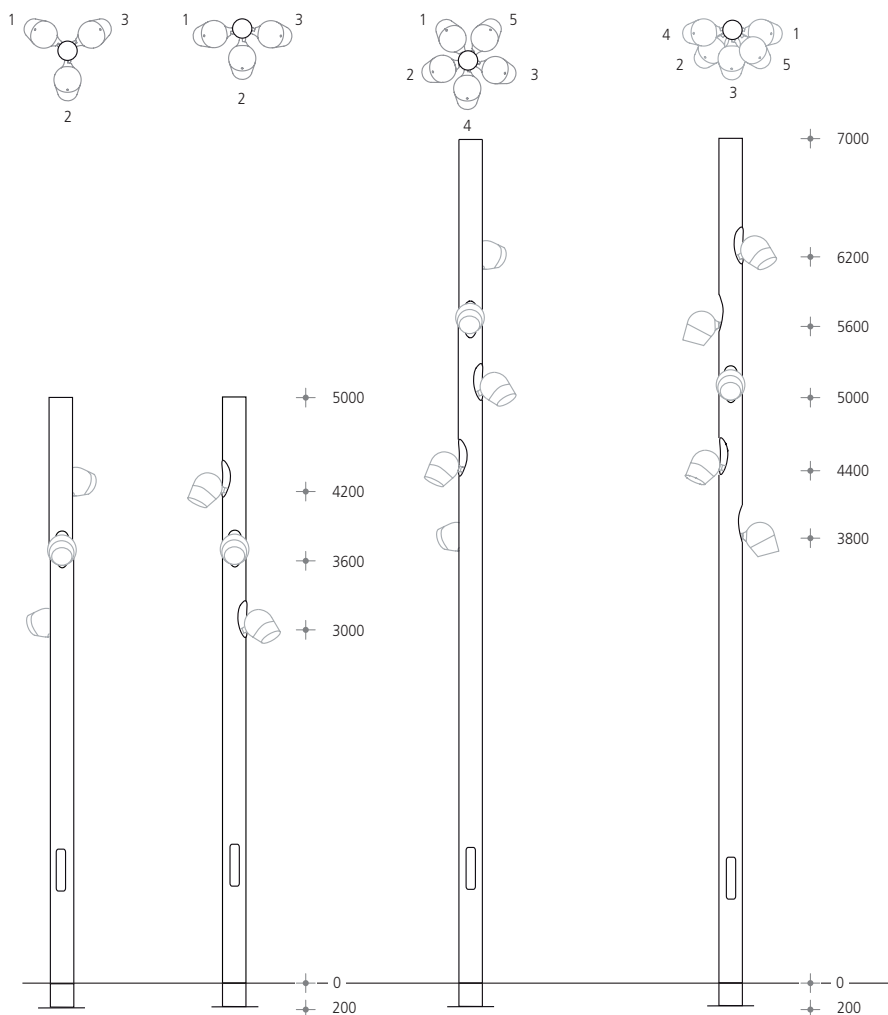

Colour code: → Pole and fitting - gloss black (RAL 9004), pole inlay - gloss white (RAL 9001) → - 2
